Sir,

Subject - Construction of Nine Model Houses to the South of Gokulam Road, V V Puram, Mysore

---

With reference to Government Order No L 13884-7/M1 41-48-221 dated 27th May 1949 communicating orders of Government accepting the lowest tender of Sri Ramaswamy and Ethirajan for Rs.37,431/- for the construction of the above buildings, I have the honour to state that the difference between the tender amount and the sanctioned estimated amount is Rs 9,081/-, which is noted in the Government Order as Rs 908/- only I therefore request you kindly to cause necessary correction to be made in the figure

In the accepted lowest tender of Sri Ramaswamy and Ethirajan, they have quoted for Honne Wood Doors and Windows, whereas the sanctioned estimate provides for Teakwood Doors and Windows The lowest tender is accepted subject to the condition that they are to carryout the work of providing doors and windows in Teakwood at the rates quoted by the next higher tender, with the change in the material, there will be a further excess of 6½% over and above the percentage of excess i.e, 32% accepted in the tender as compared to the sanctioned amount Even with the above material change the tender of the above accepted contractors will be the lowest and does no in any way alter the position The basement is nearing completion and the contractors have been asked to provide doors and windows of Teakwood only as provided in the sanctioned estimate

Under the above circumstances, I request you to kindly convey approval to the action taken by me in having permitted the use of Teakwood as per original sanctioned estimate

A revised estimate based on tenders will be submitted for sanction after the approval is received

Yours faithfully,
P Gopalakrishna Setty
